Dear Valued Guest,

Thank you for allowing us to serve you today! It's our mission to provide you with an excellent experience and feeling thrilled with your choice to dine with us. You can help by letting us know during your visit if we have fallen short for you. This allows us to turn your visit around in the moment rather than read about it later when we truly want to exceed your expectations. Like many restaurants, we are doing our best to navigate extraordinary challenges and keep them invisible to our guests. Please note we've implemented sanitation and safety protocols for the protection of staff and guests. Please ask for a manager so we can address any concerns with immediate attention to ensure your satisfaction. We appreciate you! Thank you for your support, especially during this time.
